# LCL Long Range Plan for the Lansing Community Library

Lansing Community Library Mission Statement: The mission of the Lansing Community Library is to maintain and improve the quality of life for the citizens of the Lansing community by providing access to information, cultural resources and opportunities for personal enrichment. The Lansing Community Library will provide informational, educational and recreational reading for users for all ages. The Lansing Community Library will provide expertise and current technology for equal access to high quality library services, materials, personnel and facilities. The Lansing Community Library will always seek to have a dynamic dialogue with the residents of this area to ensure that it is addressing community needs.
