

Christine Eisenhut

My name is Christine Eisenhut and I am seeking a second term on the Board of Trustees of the Lansing Community Library. I currently serve as the Board's Secretary and chair the Endowment Committee and I also serve on the Grant Writing Committee.

My family and I moved here from Easton, PA in 2007. My husband Eric and I have two children, Ben and Catie who both attended Lansing schools.

I received a BA from Manhattan College and attended City University of NY for graduate work in non-profit management. My professional background is in the field of non-profit organizations. Since relocating to Lansing, my work has included many projects in our community in the area of economic development and also at All Saints Church and LCSD, including religious education instruction, fundraising events and planning committees.

I am currently the Assistant Cross Country coach at Lansing High School. I am the race director for the Lighthouse 5K at Myers Park.

I believe that libraries are a vital part of a healthy community. It has been my privilege to work with the volunteers and staff of our library, especially during this past year. It is my hope that I will continue to help lead the library in the direction that best serves all of the residents of Lansing.
