

were extremely professional — Kiddstars, Buggy Malone and Tartuffel! We are so lucky to have the Hangar Theater in our community!

*Sept 4 '06*

**LAUREL:** The Friends of the Lansing Community Library Center would like to extend a sincere thank you to all those who helped make the Building Block Party on Aug. 5 a huge success! Thanks to our sponsors: Lansing Funeral Home, Money with a Mission/FAFN, and The Plantsmen Nursery. Thanks to our donors: Elephant Sound DJ, Jeff Sandsted and Travis Sandsted, McNamara's Office Supply, Norman Dionne, Ridge Road Imports, Snyder's Repair Shop, Styles and Smiles, and Susan Miller. Thanks to volunteers from the Lansing Historical Association and to volunteers from the Lansing Fire Department who brought a ladder truck for educational display for children and adults attending the afternoon's events. Thanks to all the LCLC volunteers and volunteers-for-the-day who assisted with the chicken barbecue, the mini book sale, adopt-a-book program, raffle ticket sales and tours of the library. The Aug. 5 event raised over \$20,000 which will be used for capital improvements to the building at 27 Auburn Rd. in the Town of Lansing. Expansion and renovation work is under way, and the library will be closed for public use until early October. Stay tuned for information about our grand opening in January. To our volunteers, supporters, patrons, donors, sponsors, readers: we couldn't do it without YOU, thanks!!
