REPORT TO THE COMMUNITY

2022

In 2022 our library was able to get back to in person programming, bring back story hour, and open regular hours. Summer Reading grew and flourished. The staff and I continue to find new partnerships and creative ways to serve our community. Libraries are a places of curiosity and learning for all people. The Lansing Library strives for tolerance, inclusion, and friendliness everyday. On behalf of myself and the Board of Trustees, we would like to thank the staff and the Friends of the Library for their continued dedication to the library and for helping us to reimagine our library services in our new normal.

We look forward to serving you for another year and are excited for our bright future. --Susie
