REPORT TO THE COMMUNITY

2023

In 2023 our library went through significant staff changes and some renovations. Thank you to the community for your patience while we negotiated these changes. Our 2023 Summer Reading program engagement increased and families enjoyed innovative programming. Staff and I continued to find new partnerships and creative ways to serve our community. Our library is committed to building strategic community partnerships and responsive public programs that enhance the lives of all residents of Lansing. We provide free access to safe, reliable, and accurate information. The Lansing Library is a place to build community, share experiences, and encourages social equity. We create a bridge to resources and foster civic engagement. On behalf of myself and the Board of Trustees, we would like to thank the staff and the Friends of the Library for their continued dedication to the library and for helping us to expand and grow our services. We look forward to serving you for another year. –Susie
