REPORT TO THE COMMUNITY

2024

In 2024, our library hosted significantly more programs than in previous years. We replaced our aging boiler and upgraded our outdated fire safety system. The annual Summer Reading Program expanded and thrived. Library staff and I continue to build new partnerships and explore creative ways to better serve our community. Libraries are spaces of curiosity and learning for all, and the Lansing Library remains committed to fostering tolerance, inclusion, and friendliness every day. On behalf of myself and the Board of Trustees, I want to extend our heartfelt thanks to the staff and the Friends of the Library for their ongoing dedication. Our library serves as a safe space for all members of our extended community to come together in kindness and a shared love of reading. We are excited to continue serving you in the year ahead. See you at the library.

-Susie
